SCHEDULE "X"

1. CONSTRUCTION MATTERS:

CONSTRUCTION AND OCCUPANCY OF DWELLING:

(a) The Vendor will construct (if not already constructed) and complete upon the Property a dwelling (the "Dwelling") of the type hereinbefore indicated substantially in accordance with the plans and specifications available for viewing by the Purchaser at the Vendor's sales office. The Dwelling shall be deemed to be completed for the purposes of Closing when the requirements of the Tarion Addendum and Statement of Critical Dates have been met and the Purchaser agrees in such case to close this transaction, without holdback of any part of the Purchase Price, on the Vendor's undertaking given pursuant to section headed "FINAL INSPECTION" hereof to complete the Dwelling, and the Purchaser hereby agrees to accept the Vendor's covenant of indemnity regarding lien claims which are the responsibility of the Vendor, its trades and/or suppliers, in full satisfaction of the Purchaser's rights under the Construction Act, and will not claim any lien holdback on the Closing Date. Notwithstanding anything else herein contained, if for any reason except for the wilful neglect of the Vendor the Dwelling is not completed, utility services are not operative, the Planning Act has not been complied with, or the Dwelling has not been approved for occupancy by the Municipality on or before the Closing Date, the Purchaser agrees to grant and hereby grants such extension or extensions of time for completion of the foregoing as may be required by the Vendor and, subject to the provisions of the Addendum, the Closing Date shall be extended accordingly. Furthermore, if by reason of "Unavoidable Delay" as defined in or as otherwise permitted by the Tarion Addendum and Statement of Critical Dates the Vendor is required to extend the Closing, the Vendor shall be entitled to extend the Closing provided the Vendor complies with the provisions of the Tarion Addendum and Statement of Critical Dates in respect of such extensions. The Dwelling shall be deemed to be completed when all interior work has been substantially completed as determined by the Vendor and provided that the provisions of paragraph 9 of the Tarion Addendum and Statement of Critical Dates attached hereto have been complied with. The Purchaser agrees to complete this transaction notwithstanding any claims submitted to the Vendor and/or Tarion or otherwise in respect of apparent deficiencies or incomplete work.

(b) The Purchaser acknowledges and agrees that in the event the Dwelling being purchased herein is a semi-detached or townhouse dwelling unit, the lot or block upon which such dwelling unit is constructed will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of such lot or block.

(c) In the event that the Dwelling includes stucco to be installed on the exterior of the Dwelling, the Purchaser acknowledges that there may be a variance in accordance with Tarion standards, which the Purchaser agrees to accept, without objection or claim for compensation. In the event that the Dwelling includes stucco to be installed on the exterior of the Dwelling, the Purchaser acknowledges that there may be variance in the colour of such stucco and that the Vendor shall choose, in its sole, absolute and unfettered discretion, the texture of such stucco, and the Purchaser agrees to accept same without objection or claim for compensation.

FINAL INSPECTION:

- (b) (i) The Vendor represents and warrants to the Purchaser that the Vendor is in good standing with Tarion Warranty Corporation (formerly the Ontario New Home Warranty Program) ("Tarion"). The Vendor covenants that on the closing of this transaction a written warranty in the Tarion standard form will be requested by the Vendor from Tarion and that a warranty certificate will be mailed directly to the Purchaser by Tarion. The Purchaser agrees to accept such warranty in lieu of any other warranty or guarantee, expressed or implied, it being understood and agreed that there is no representation, warranty, guarantee, collateral agreement or condition precedent to, concurrent with, or in any way affecting this Agreement or the Property other than as expressed herein and more specifically, the Purchaser absolves the Vendor from any representations made by any and all sales representatives unless the same have been reduced to writing herein. This Agreement represents and expresses the entire Agreement between the parties hereto.
- (ii) The parties agree that the Purchaser (or the Purchaser's designate) will meet at the Dwelling on or before the Closing Date to conduct the pre-delivery inspection (the "PDI"). The Purchaser acknowledges that the warranties being given by the Vendor to the Purchaser under the terms of the Ontario New Home Warranties Plan Act R.S.O. 1990 C.O.-31 (the "Act") and which Act is administered by the Tarion Warranty Corporation (hereinafter called "Tarion") are the only warranties at law or otherwise being given to the Purchaser by the Vendor under the terms of this Agreement of Purchase and Sale. In this regard the Purchaser agrees that approximately seven (7) days prior to the Closing Date, the Purchaser will contact the Vendor to arrange to inspect the Property with the Vendor's representative. The Purchaser shall not be entitled to examine the Dwelling except when accompanied by a representative of the Vendor. During such inspection all damaged, incomplete or missing items and anything that is not in good operating condition, if any, shall be listed in writing on the Certificate of Completion and Possession form (the "CCP") and the Pre-Delivery Inspection form (the "PDI Form") provided for by Tarion and which forms shall be signed by the Purchaser and the Vendor's representative. Save as so listed the Purchaser shall be conclusively deemed to have accepted the Property as complete in accordance with this Agreement. The Vendor shall complete all matters set out in the CCP and the PDI Form as soon as reasonably practicable. Further, the Vendor agrees to rectify any defects in materials or workmanship covered by the Tarion warranty issued to the Purchaser as soon as reasonably practicable after the same has been called to the Vendor's attention by notice in writing, including having regard to weather conditions and availability of trades and materials. The Purchaser acknowledges that construction materials shrink as they dry resulting in nail 'pops'. Year-end drywall repairs will consist of compound patching only. Pursuant to Tarion policy, sanding and/or priming will be the responsibility of the Purchaser. The Vendor will endeavour to match colours of materials as closely as possible. The Purchaser further agrees that the Vendor shall have the right to enter upon the Property and Dwelling after completion of the transaction, without prior notice to the Purchaser, in order to complete such items as are contained in the CCP and PDI Form and for all warranty services that may be required to be performed by Tarion, all inspections, Home Owner service work, and/or work required by trades.
- (iii) The completion of the PDI and the completion and signing of the CCP and PDI Form as aforesaid are conditions of the Vendor's obligation to give occupancy of the Property and complete this transaction.
- (iv) The Purchaser acknowledges having been advised that an online Learning Hub ("LH") developed by Tarion is available from Tarion and that the Purchaser shall access and review all materials within the LH on or before the PDI. The Purchaser agrees that either the Purchaser or the Purchaser's designate, will execute and provide to the Vendor the prescribed Confirmation of Review of the LH materials (the "Confirmation") while attending the PDI.
- (v) Notwithstanding anything else herein contained, the Purchaser shall be entitled to send a designate to conduct the PDI in the Purchaser's place or attend with their designate, provided the Purchaser first provides to the Vendor the Appointment of Designate for PDI in the form prescribed by Tarion (the "Appointment Form"), prior to the PDI. If the Purchaser appoints a designate, the Purchaser acknowledges and agrees that the Purchaser shall be bound by all of the documentation executed by the designate to the same degree and with the force and effect as if executed by the Purchaser personally.
- (vi) In the event the Purchaser or the Purchaser's designate, as the case may be, fails to attend the PDI or fails to execute the CCP and PDI Form at the conclusion of the PDI, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth herein and at law. Alternatively, the Vendor may, at its option, complete the CCP and PDI Form on behalf of the Purchaser or the Purchaser's designate, as the case may be, and the Purchaser and/or the Purchaser's designate, as the case may be, hereby irrevocably appoints the Vendor as the Purchaser's or the Purchaser's designate, as the case may be, attorney to complete the CCP and PDI Form on the Purchaser's or the Purchaser's designate's behalf, as the case may be, and, in which event, the Purchaser shall be bound as if the Purchaser or the Purchaser's designate, as the case may be, had executed the CCP and PDI Form.
- (vii) In the event the Purchaser and/or the Purchaser's designate fails to execute the Confirmation during the PDI, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth herein and at law. Alternatively, the Vendor may, at its option, execute the Confirmation on behalf of the Purchaser or the Purchaser's designate, as the case may be, and the Purchaser and/or the Purchaser's designate, as the case may be, hereby irrevocably appoints the Vendor as the Purchaser's and/or the Purchaser's designate, as the case may be, attorney to execute the Confirmation on the Purchaser's or the Purchaser's designate's behalf, as the case may be, and, in which event, the Purchaser and/or the Purchaser's designate, as the case

may be, shall be deemed to have executed the Confirmation.

(viii) The registration of the transfer to the Purchaser shall constitute acceptance by the Purchaser of the Property and shall be deemed to be a complete release by the Purchaser, of the Vendor under this Agreement from any and all liability of any kind whatsoever under this Agreement save only for the completion after closing of the work, if any, listed as aforesaid on the CCP and PDI Form, or, if nothing is listed thereon, as required to be done in accordance with this Agreement. If the Purchaser is more than one person, only one such Purchaser need attend the PDI and sign the CCP, PDI Form and Confirmation and each Purchaser hereby irrevocably appoints the other Purchaser or Purchasers as agent for the purpose of attending the PDI and signing the CCP, PDI Form and Confirmation. For purposes of the Appointment Form, the same designate must be collectively appointed by all such Purchasers. There shall be no holdback for uncompleted work and the full balance of the Purchase Price will be paid to the Vendor on closing.

2. PURCHASER'S COVENANTS:

The Purchaser agrees with the Vendor as follows:

ACCEPTANCE OF PLAN OF SUBDIVISION:

(a) To forthwith upon request do all acts and execute and deliver all documents, both before and after closing, as may be required by the Vendor or the relevant municipality (the "Municipality") in connection with and the acceptance of the plan of subdivision wherein the Property is situate as a whole by the Municipality.

ENCUMBERING THE PROPERTY:

(b) The Purchaser will not before closing, mortgage, sell, deal with or in any way encumber the Property, directly or indirectly, that he will not permit any lien, execution or conditional sales agreement to be registered or filed and that he will not obstruct or alter the premises.

NON-MERGER:

(c) Notwithstanding the closing of this transaction, the Purchaser's covenants, warranties and agreements in this Agreement shall not merge and the Purchaser shall give to the Vendor any further written assurance as may be required by the Vendor to give effect to this covenant either before or after the Closing Date. The Vendor, the subdivider (the "Subdivider") of the plan of subdivision in which the Property is situated, the Municipality or their servants or agents may, for such period after closing as is designated by the Subdivider, the Vendor and/or the Municipality, enter upon the Property at all reasonable hours to inspect, repair, complete or rectify construction, grade and undertake modifications to the surface drainage, including installation and catch basins, without liability therefor, and the Transfer/Deed may contain such a provision.

SUBSTITUTIONS:

(d) Acceptance of construction, siting and grading by the Municipality shall conclusively constitute acceptance by the Purchaser. The Vendor shall have the right to substitute materials for those designated in the plans and/or specifications provided the quality is equal or better, and also to make minor changes in plans, siting and specifications, provided there is no objection from the Municipality. The Purchaser acknowledges that the siting of the garage for the dwelling unit has not yet been established and the Purchaser accepts that the garage may be sited on either side of the dwelling unit in accordance with the Vendor's architectural and engineering requirements for the dwelling.

GRADING:

(e) The Purchaser will not alter the grading of the Property contrary to the municipally approved drainage and/or grading control plan, and provided that lot grading has been completed in accordance with the municipally approved drainage and/or grading control plan, the Purchaser is estopped both from objecting thereto and from requiring any amendments thereto including the location of catch basins and infiltration trenches. If the Vendor has not undertaken to pave or finish the driveway pursuant to this Agreement, the Purchaser shall not pave or finish the driveway without the prior written consent of the Vendor and the prior written consent of the Subdivider and the Municipality, if required by the subdivision agreement or any other municipal agreement or requirement, following such approval and prior to completing the driveway, the Purchaser shall notify the Vendor in writing so that water keys can be located and raised, if necessary. The Purchaser covenants and agrees not to damage or alter any subdivision service, and shall be liable for the cost of rectification of any such damage or alteration, and in the event same is not paid upon demand, the Vendor shall have the right to register a lien on title to secure such payment. The Purchaser agrees that neither the Purchaser(s) nor their successors or assigns shall construct or install a swimming pool, fencing, or decking upon the property until after the Vendor has obtained acceptance of lot grading from the Municipality.

The Purchaser acknowledges that the Vendor may not be completing the paving of the driveway for the property as contemplated herein, until after the closing of this transaction. Without limiting the generality of what may be contained herein, the Purchaser acknowledges and agrees with the Vendor that, after closing, he will not alter or change either the driveway or curbs without the express written consent of the Vendor, Subdivider and the Municipality, which consent may be arbitrarily withheld, until the subdivision has been assumed by the Municipality for maintenance purposes. The Purchaser further acknowledges that if he alters or changes the driveway and/or curbs that the Vendor has the right to enter the property, without prior notice to the Purchaser, to restore the driveway and/or curbs to their previous placement and/or condition and to charge the cost of same to the Purchaser as a lien on his property until paid by the Purchaser to the Vendor.

The Purchaser acknowledges that the Vendor, at this time, is not aware of the final grading to be required for this property. The Purchaser further acknowledges that if the Municipality requires an upgrade elevation for the property that the extra costs for the upgraded elevation will be paid for by the Purchaser on the final Statement of Adjustments at the time of the closing of the transaction.

The Purchaser shall provide a non-refundable security deposit in the amount of **\$500.00** on the Closing (the "**Security Deposit**") to secure compliance with the Purchaser's obligations hereunder including, without limitation, the Purchaser's grading and subdivision damage covenants. The Purchaser and/or the Purchaser's designate does hereby agree that at the time of the PDI or such other time as may be set by the Vendor, the Purchaser and/or the Purchaser's designate will attend at the Property and upon such request, the Purchaser and/or the Purchaser's designate and Vendor mutually agree that they will attend at the Property to inspect with the Vendor the subdivision services installed by the Vendor or Subdivider and to compile a list of all existing damages or defects to the subdivision services, including buried or damaged water boxes and keys, damaged curbs or sidewalks, retaining walls, acoustic barriers, fences and other such applicable services. Such compiled list to be signed by the Vendor and the Purchaser and/or the Purchaser's designate, and the Purchaser shall not under any circumstances be responsible for the cost of repair, rectification or replacement of such existing damages or defects and the Vendor shall not apply any portion of the Security Deposit paid by the Purchaser in compliance with this Agreement in respect of the repair, rectification or replacement of any such existing damages to the subdivision services. The Subdivider's consulting engineer for this subdivision shall be the authority for the development of the subdivision as a whole and will determine responsibility and damages and costs therefore and in the event that the Subdivider's consulting engineer determines the responsibility for the cost of repair, rectification and/or replacement is that of the Purchaser, then the Vendor will charge the Purchaser accordingly, save and except for those items listed on inspection as noted herein and the Purchaser agrees to abide by such engineer's decision and the Vendor will deduct the cost of such repair, rectification or replacement from the Security Deposit relevant thereto. Should the cost of such repairs, rectification or replacement EXCEED the value of the Security Deposit, then the Vendor shall be entitled to compensation from the Purchaser for the difference between the Security Deposit and such costs and the Purchaser shall pay such shortfall amount upon demand by the Vendor. The Security Deposit, (or any balance thereof after applicable deductions as herein described) shall be released to the Purchaser(s) named in this Agreement AFTER the event of Municipal Assumption of Subdivision Services

UTILITIES:

(f) Unless expressly provided in this Agreement, the water heater is not included in the Purchase Price and shall remain chattel property. The Purchaser acknowledges that the water heater for the dwelling may be either (a) a rental water heater in which case the Purchaser agrees to execute a rental contract, if requested, with the designated supplier for the said water heater prior to closing. The rental rate as of the date of this Agreement is approximately \$48.00 per month plus tax (and any increase that the supplier may levy for the rental water heater) or (b) the Vendor shall install a water heater in the dwelling and the Purchaser agrees to pay to the Vendor the cost of such water heater as an adjustment, on closing, together with applicable taxes thereon.

In either situation, the Purchaser agrees to take all necessary steps to immediately assume, on closing, all charges for hydro, water, gas and other services and the Vendor may recover any payments made by the Vendor on account of the Property from the Purchaser. The gas meter/water meter/electricity meter is/are not included in the purchase if it/they is/are not the Property of the Vendor. The Purchaser shall pay, or reimburse the Vendor for the cost of the charge made for, or prepayments for, or security performance deposits relating to, any of the water, electricity or gas service, including, without limitation, the cost and/or installation of any meters, and the installation, connection and/or energization fees for any of such services. The Purchaser agrees to accept the utility suppliers designated by the Vendor. Subsequent to the Closing and prior to assumption of the subdivision by the Municipality, if the Purchaser changes any or all of the utility suppliers, the Purchaser shall be responsible for the repair of any damage caused to the Property and neighbouring lands by such alternate utility suppliers and any costs incurred by the Vendor or Subdivider to restore the Property to the original state provided by the Vendor.

ENROLMENT FEE(S):

g) any enrolment and/or regulatory fees paid by the Vendor for the Property under, pursuant to or as a requirement or prerequisite of any governmental authority and any of the following: the Ontario New Home Warranties Plan Act (the "Warranty Act"), New Home Construction Licensing Act, 2017, the Act, the Condominium Management Services Act, or by any of the regulators or authorities pursuant to any of the foregoing, including, without limitation, the Tarion Warranty Corporation, the Home Construction Regulatory Authority and/or the Condominium Authority of Ontario;

TITLE DIRECTION:

(h) The Purchaser(s) agrees to provide the Vendor's Solicitor with a written direction as to whom title is to be conveyed (subject to the first mortgagee's requirements which the purchaser will abide by) no later than sixty (60) days prior to the Closing Date, failing which the Vendor is hereby directed to convey title to the Purchaser(s) set forth and named in this Agreement. Title may only be directed by the Purchaser, to add his spouse, son and /or daughter and no other party without the written consent of the Vendor, which consent may be withheld for any reason whatsoever, all in accordance with the terms of Clause 2(k) herein, provided that at no time shall the original Purchaser(s) be permitted to remove their name from title without written consent from the Vendor. In the event of any change, the Purchaser agrees to pay to the Vendor's Solicitor their legal fees. The Purchaser covenants not to register this Agreement or any other document on title prior to closing. The Purchaser acknowledges that registration against title to the Land of any notice or caution or other reference to this Agreement or his or her interest in the Land is likely to cause inconvenience and prejudice to the Vendor, for example, by impeding financing. If any such registration occurs, the Vendor may terminate this Agreement forthwith and retain the deposit in addition to and without prejudice to any other remedy available to the Vendor arising out of such default. Further, the Purchaser hereby irrevocably consents to a court order removing such registration and agrees to pay all costs of obtaining such order.

RELEASE OF KEYS:

(i) Keys will be released to the Purchaser at the construction site or the sales office of the Vendor, as the Vendor in its absolute discretion determines, upon completion of this transaction, unless otherwise specifically agreed to in writing between the Vendor and the Purchaser. The Purchaser agrees that the Vendor's advice that the keys are available for release to the Purchaser constitutes a valid tender of keys on the Purchaser. Upon completion of this transaction, if the Purchaser fails to attend to pick up the keys by 5:00 o'clock p.m. on that day, the Vendor may retain the keys and release same to the Purchaser on the next following business day.

EXTRAS, COLOUR SELECTION AND FINISHES:

j) The Purchaser covenants and agrees that he shall pay to the Vendor in advance for all extras, upgrades or changes ordered by the Purchaser at the time such order is made and the Purchaser further acknowledges and agrees that such payment is non-refundable in the event that his transaction is not completed for any reason whatsoever except due to default of the Vendor. The Purchaser's failure to pay for upgrades or the Purchaser issuing a cheque which does not clear the Vendor's bank or is marked for insufficient funds shall be a FBOC. Notwithstanding anything therein contained to the contrary, the Purchaser acknowledges and agrees that if, upon Closing, any of the extras, upgrades or changes ordered by the Purchaser remains incomplete in whole or in part or if the Vendor shall, in its sole discretion, determine that it will not provide extras, upgrades or changes or cannot complete the extras, upgrades or changes then they shall be refunded to the Purchaser upon Closing that portion of the amount paid by the Purchaser in connection with such extras, upgrades or changes allocated to those extras, upgrades or changes which remain incomplete in whole or in part as aforesaid, as determined by the Vendor. The Purchaser further acknowledges and agrees that the amount so paid to the Purchaser (or for which, in the alternative, the Purchaser receives credit in the statement of adjustments) shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the extras, upgrades or changes which remain incomplete as aforesaid. The Purchaser further acknowledges that the Vendor's liability with respect to such incomplete extras, upgrades or changes shall be limited to the return of the amounts referred to aforesaid and, thereafter, there shall be no further liability upon the Vendor in connection with such incomplete extras, upgrades or changes and upon such payment being made or credit being given, the Vendor shall be deemed to have been released from any and all obligations, claims or demands whatsoever with respect to such incomplete extras, upgrades or changes. In the event the Purchaser neglects to advise the Vendor forthwith upon request as to the Purchaser's selection of finishing specifications, or orders any extras, upgrades in interior finishing, or performs any work in or about the Dwelling which causes delay in the Vendor's construction operations, the Vendor may require the Purchaser to complete this transaction on the Closing Date herein set out without holdback of any part of the Purchase Price, on the Vendor's undertaking to complete any of the Vendor's outstanding work. If for any reason payment for such extras, upgrades or charges ordered by the Purchaser is not received at the time such order is made, any such outstanding amounts shall bear interest from such time at the rate of 24% per annum, calculated and compounded daily, until paid in full provided that if such outstanding amounts or any part thereof remains outstanding at closing, such amount together with interest calculated and compounded as aforesaid shall be credited to the Vendor on the Statement of Adjustments.

k) The Purchaser covenants and agrees that he will within ten (10) days of notification from the Vendor attend and complete the Vendor's colour and material selection form (the "Interior Finishing Selection Sheet") for those items of construction or finishing for which the Purchaser is entitled to make selection pursuant to this Agreement, failing which the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in this Agreement and/or at law or, in the alternative, the Vendor may complete the same in its sole and absolute discretion, on behalf of the Purchaser and the Purchaser agrees to be bound by the Vendor's selection and the Vendor shall not be liable for any delays in having the Property ready for Closing. Notwithstanding the immediately preceding sentence, the Vendor may, in its sole, unfettered, absolute and subjective discretion, allow the Purchaser to make changes to the colour and materials selected by the Vendor on the Purchaser's behalf, provided that the Purchaser shall pay to the Vendor an administration fee of \$250.00 plus HST for each change so requested by the Purchaser. The Purchaser acknowledges that when said selection form is completed, it shall constitute part of this Agreement.

(l) The Purchaser acknowledges that the Vendor's scheduling requirements are paramount and that the Purchaser will be required to attend appointments at times and locations selected by the Vendor to complete the colour and material selections specified above. In the event that the Purchaser is unable to attend the appointment set forth by the Vendor, the Purchaser will be required to provide cancellation notice to the Vendor 72 hours prior to the set appointment, and provide an alternative date to reschedule the appointment that falls within

ten (10) business days of the cancelled appointment. In the event that the Purchaser fails to notify the Vendor and does not appear to the scheduled appointment, the Purchaser shall pay to the Vendor a fee in the sum of \$500.00 plus HST for each occurrence.

(m) All selections of items of construction or finishing for which the Purchaser is entitled to make selection pursuant to this Agreement are to be made from the Vendor's samples. If the Purchaser's colour, material, construction or finishing selections are unavailable for any reason whatsoever, the Vendor shall advise the Purchaser of such unavailability, after which, the Purchaser may make an alternate selection only of such items as may be unavailable. If the Purchaser fails to make an alternate selection as aforesaid, within seven (7) days, the Vendor may substitute in its sole and absolute discretion, without the consent of the Purchaser, materials or finishing which are of equal or better quality, whether the same are different in colour and/or finish. The Purchaser hereby irrevocably agrees to accept the Vendor's selection without any right of abatement of the Purchase Price and in full satisfaction of the Vendor's obligation herein, or terminate this Agreement and the Purchaser agrees that the deposit monies paid by the Purchaser hereunder shall be forfeited to the Vendor in addition and without prejudice to any other remedy available to the Vendor arising out of such default.

n) The Purchaser specifically acknowledges that in the manufacture of finishing items, colour variances sometimes occur. Purchaser hereby shall accept any such colour variation resulting from the manufacturing process, change of suppliers or otherwise, without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligations herein. **The Purchaser acknowledges that each exterior colour package for the Dwelling offered by the Vendor will feature gray mortar between all bricks and all stone and the Dwelling shall be constructed using such materials.**

SALE AND ASSIGNMENT RESTRICTIONS:

o) The Purchaser represents to the Vendor upon which representation the Vendor has relied in accepting the Purchaser's offer that he is purchasing the property for his own personal use and not for short term speculative purposes. Prior to Closing the Purchaser covenants and agrees not to offer, list or advertise for sale, lease or transfer the Property, nor to sell, lease, assign or transfer the Purchaser's interest under this Agreement. The Purchaser further covenants and agrees not to post any signs for sale, or advise others that the Property is or may be available for sale, offer for sale or sell, the Property or to enter into any agreement, conditional or otherwise, to sell the Property, or any interest therein, nor to assign this Agreement or any interest herein, or the benefit thereof, nor to mortgage, deal with or in any way encumber the premises. In no event shall the Purchaser list, allow or cause to be listed for sale, lease, assignment or otherwise the Property or an interest under this Agreement on a listing service system including, without limitation, the Multiple Listing Service ("MLS") or on, by or through any other publication or medium, including, without limitation, any form of social media or through any website or application. The Purchaser will not any time prior to completing this transaction, register this Agreement, or any notice thereof, whether by caution or otherwise, or register a notice of Purchaser's lien against the Property. Any breach of the foregoing shall constitute a fundamental breach of contract (in this Agreement referred to as a "FBOC") which shall, at the Vendor's sole option, entitle the Vendor to terminate this Agreement and the Vendor shall be entitled to retain the deposit monies as liquidated damages and not as penalty in addition to and without prejudice to any other remedy available to the Vendor arising out of such default and the Purchaser shall have no further right to or interest in the Property.

p) The Purchaser represents to the Vendor, upon which representation the Vendor has relied in accepting the Purchaser's offer, that the Purchaser is purchasing the property for its own personal use and not for short term speculative purposes. Prior to Closing the Purchaser covenants and agrees not to post any signs for sale or lease, or list the Property for sale or lease, or advise others that the Property is or may be available for sale or lease, offer for sale or sell or lease, or advertise for assignment, the Property or to enter into any agreement, conditional or otherwise, to sell or lease the Property, or any interest therein, nor to assign this Agreement or any interest herein, or the benefit thereof, nor to mortgage, deal with or in any way encumber the premises or this Agreement. The Purchaser acknowledges and agrees that once a breach of the preceding covenant occurs, such breach is (or shall be) incapable of rectification, and accordingly the Purchaser acknowledges and agrees that in the event of such breach, the Vendor shall have the unilateral right and option of terminating this Agreement effective upon delivery of notice of termination to the Purchaser or the Purchaser's solicitor, whereupon the provisions of this Agreement dealing with the consequence of termination by reason of the Purchaser's default, shall apply and the Purchaser shall have no further right to or interest in the Property.

TITLE RESTRICTIONS:

q) (i) The Purchaser shall accept the Property, subject to the building and other restrictions registered on title, including provisions in the Subdivider's deed to the Vendor or Purchaser, provided there is no breach of such restrictions on closing, and to execute and grant any easements or right of way for installation and/or maintenance of services as may be required, both before and after closing, by any government or utility authority or body.

ii) The Purchaser covenants and agrees to accept title to the property subject to the following:

(a) any registered or unregistered subdivision, development, site plan, housekeeping, financial, security or like agreement or agreements with the relevant City, Town or Municipality, containing provisions relating to the use and development of the lands on which the property is located, or with any other governmental authority having jurisdiction which may now or hereafter be entered into and to execute any documentation which may be required to evidence his consent to same;

(b) any restrictions to legal access to the subject Property caused by the existence of 0.3 metre reserves owned by the relevant Municipality and not yet dedicated as a public highway;

(c) any agreement entered into with the hydro electric commission for the provisions of hydro electric services;

(d) any easements for ingress or egress and any easements, covenants, licences or encroachment or other agreements for the installation and maintenance of any public or other utilities, including without limitation, telephone, hydro, gas, sewer, water, cablevision and master antenna T.V. distribution system (such easements may be for the benefit of other lands);

u) i) No request by the Purchaser for home owner service will be processed by the Vendor unless such request is in writing other than emergency service, such as no heat, water or hydro. The Purchaser acknowledges that the Vendor may be leaving a supply of new unused tiles in the garage of the premises and/or in the home to be used by the Vendor in the event they are needed for future repairs to the tiles in the home. The Purchaser acknowledges that these tiles are the property of the Vendor and are to be used only by the Vendor to correct any future repairs to the tiles in the home, if necessary, for which the Vendor is responsible. The Purchaser further acknowledges that if the Purchaser uses these tiles or removes them from the garage and/or the home or damages any of the tiles, then the Purchaser will be responsible, at his own expense, to correct any future problems that may arise to the tiles in the home.

If the Purchaser appoints a designate to be present at the time of such warranty work etc., they must provide the Vendor with written confirmation of the name of the designate who must be at least 18 years old and who has the authority to sign for completion of all work orders confirming the Purchaser's satisfaction of same.

BASEMENT DEVELOPMENT AND HOME ALTERATIONS:

v) The Purchaser covenants not to finish the whole or any part of the basement of the Dwelling for a period of two (2) years after the Closing Date. The Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage including to basement improvements and chattels stored in the basement resulting from water seepage, as well as any consequential damages arising therefrom. The Purchaser acknowledges that he will not make any changes, structural or otherwise to the home being purchased herein for two years after the closing of this transaction without first notifying the Vendor, in writing, of the proposed changes he intends to make to the home. The Purchaser further acknowledges that if any such changes to the home made by the Purchaser negatively affects any item in the home constructed by the Vendor, then the Tarion warranties relating to such items in the home constructed by the Vendor shall be voided and of no effect whatsoever.

SETTLEMENT:

w) If settlement occurs due to soil disturbance around the house, the walkways, driveways and sodded areas, rectification of all minor settlements shall be the responsibility of the Purchaser, and the Vendor will rectify any major settlement once only, and such work, unless of an emergency nature, will be completed when reasonably feasible and according to the Vendor's work program and availability of materials and tradesmen's services. The Vendor is not responsible for any damage to the Dwelling which the Vendor considers of a minor nature by reason of such settlement.

FENCING AND RETAINING WALLS:

x) The Purchaser acknowledges and agrees that all aspects of fencing including design, material and colour shall be as determined by the Subdivider in its sole discretion. Where any portion of any fence is within 2.0 metres of the Property line, such fence shall be deemed not to be an encroachment at that point (the "Permitted Encroachment") and the Purchaser agrees to accept title to the Property and to complete the sale contemplated herein, without abatement of the Purchase Price. If any portion of any fence is not deemed to be a Permitted Encroachment (an "Unpermitted Encroachment") then the Purchaser shall complete the transaction herein either upon the Vendor's undertaking to take all reasonable lawful steps to remove the Unpermitted Encroachment; or, at the Vendor's sole option, upon

an abatement in the Purchase Price, such abatement to be calculated by multiplying the Purchase Price by the ratio of the area of the Unpermitted Encroachment to the total area of the Property. The Purchaser acknowledges that the Purchaser's lot may not be flat due to the presence of swales for drainage, ravines or other geographic features within or adjacent to the Purchaser's lot. The Purchaser agrees to complete the herein transaction notwithstanding the existence on the Property of a tree preservation area or buffer block (possibly adjacent to an open space), any retaining walls and catch basins which may encroach into the Purchaser's lot, infiltration trenches, rain barrels or fencing required pursuant to any engineering drawings or otherwise deemed to be required by the Vendor, its architect or engineer whether or not the Purchaser was notified of same prior to or after entering this Agreement. All maintenance of fencing, infiltration trenches, and/or retaining walls and catch basins on the property shall be the responsibility of the Purchaser after closing. Notwithstanding the foregoing, any encroachment on the Property by a fence required by any governmental authority by way of subdivision agreement or otherwise, shall be deemed to be a Permitted Encroachment. The Purchaser further acknowledges that they are not permitted to stain any fence constructed on their property by the Vendor without written consent of the Vendor and the Municipality. If the Purchaser breaches this covenant they will be responsible to pay for all costs incurred by the Vendor in removing the stain or re-staining the fence.

y) The Purchaser acknowledges and agrees that architectural control of external elevations, driveway construction, boulevard tree planting, landscaping, corner lot fencing (including the location and colour of such corner lot fencing), exterior colour schemes, or any other mater external to the Dwelling designed to enhance the aesthetics of the community as a whole, may be imposed by the Municipality and/or the Subdivider. The Vendor shall have the right, in its sole discretion, to construct the hereinbefore described Dwelling either as shown on the sale brochures, renderings and other plans and specifications therefor reviewed and approved by the Purchaser, or, to construct such Dwelling on a reverse mirror image plan, including reversal of garage siting and reversal of interior floor plan layout. Construction of a reverse mirror image Dwelling plan is hereby irrevocably accepted by the Purchaser without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligations as to construction of the Dwelling type hereinbefore described. Further, in the event the Vendor determines, at its sole discretion, to construct the Dwelling at a grade level different than as depicted in the sales brochures, renderings and other plans and specifications therefor reviewed and approved by the Purchaser, or otherwise necessitating a step or series of steps to the front door, side door, rear door, or any door from the garage to the interior of the Dwelling, the Purchaser hereby irrevocably agrees to accept such change without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligation as to Construction of the Dwelling type hereinbefore described.

The Purchaser further acknowledges that if he alters or changes the driveway and/or curbs that the Vendor has the right to enter the property, without delivering prior notice to the Purchaser, to restore the driveway and/or curbs to their previous placement and/or condition and to charge the cost of same to the Purchaser as a lien on his property until paid by the Purchaser to the Vendor. In the event that the Purchaser completes this transaction at a time prior to the Vendor completing all of its work or construction within the subdivision, the Purchaser covenants and agrees to permit the Vendor and its agents and sub trades to enter upon the Property, without prior notice to the Purchaser, for the purposes of completing work on an adjoining property or other properties in the subdivision and the Purchaser shall not interfere with any work or construction being so performed by the Vendor and its agents and sub trades. The Purchaser agrees that this covenant may be pleaded by the Vendor as an estoppel to any action or opposition by the Purchaser.

xviii) will allow the Vendor, its agents, representatives and authorized to personnel to enter upon the Property and the Dwelling from time to time as required by the Vendor, without prior notice being delivered by the Vendor to the Purchaser, for the purposes of inspecting the Dwelling or the Property, including, without limitation, its fixtures, finishes, any and all alterations or improvements made by the Purchaser, and the grading of the Property.

The Purchaser acknowledges that title to the Property may be subject to these restrictions and covenants as well as such other restrictions and covenants as may be required by the Developer. If requested, the Purchaser agrees to execute a separate document, in form and substance satisfactory to the Vendor incorporating such restrictions and covenants.

FINAL GRADING:

aa) In the event this Dwelling is described on the first page of this Agreement as having a "walk-out" or a "walk-up", and such is not possible, the Purchase Price herein shall be reduced by the amount the Purchaser paid for a "walk-out" or a "walk-up". In the event this Dwelling is not described on the first page of this Agreement as having a "walk-out" or a "walk-up" and such is required, pursuant to final approved grading and engineering plans, then the Purchase Price herein shall be increased by Twenty-Five Thousand (\$25,000.00) Dollars. Any credit or additional charge shall be made by way of adjustment on the Statement of Adjustments and shall be paid or credited on the Closing Date.

3. TITLE MATTERS:

SUBDIVISION AGREEMENT:

(a) The Purchaser acknowledges and agrees that title may on closing be subject to one or more subdivision or other development agreements and that the Subdivider has agreed at its own expense to construct, install and pay for roads, sanitary sewers, water mains and all other services in accordance with the requirements of the Municipality, which the Vendor herein is not responsible to construct, install or pay for. The Purchaser agrees that the Vendor shall not be obligated on closing or thereafter to obtain releases of such subdivision or other development agreements and the Purchaser shall satisfy himself as to compliance. The Purchaser will not interfere with the Vendor's access to the Property as may be required to carry out any requirements of any governmental authority including pursuant to any agreement following closing. The Purchaser's failure to comply with the preceding sentence will cause the Vendor significant damages and hereby indemnifies the Vendor with respect to same.

ACQUISITION OF TITLE:

b) The Vendor has agreed to acquire registered title to the Property from the Subdivider on terms set forth in a separate purchase agreement. In the event of default by the Subdivider in compliance with the requirements therein contained, or in the event the Subdivider exercises its right, by reason of adverse soil conditions affecting the Property, to terminate the purchase agreement as it relates to the Property, or if the Vendor fails to acquire title through no fault of the Vendor, this Agreement of Purchase and Sale shall be considered frustrated in accordance with paragraph 10(e) of the Addendum and all deposit monies shall be repaid to the Purchaser with interest and all parties hereto shall be relieved of any liability or obligation hereunder.

RELEASE TO SUBDIVIDER:

c) The Purchaser acknowledges that title may be conveyed from the Subdivider, and not the Vendor, and the Purchaser hereby releases the Subdivider from all obligation, liability and responsibility whatsoever arising out of or associated with the construction of the Dwelling and installation of all other improvements within the lot boundaries, and the Purchaser agrees to execute and deliver on closing a separate acknowledgment and release in favour of the Subdivider to this effect in form satisfactory to the subdivider.

PRIOR MORTGAGES:

d) In the event any mortgages are outstanding on closing the discharge of which is the Vendor's obligation, the Purchaser agrees to accept the Vendor's solicitor's undertaking to obtain and register the discharge of the same within a reasonable period of time after closing in full satisfaction of the Vendor's obligation in that regard.

TITLE SEARCH:

(e) Provided the title is good and free from all encumbrances except as herein provided and except as to building and other restrictions, and to any easement or right-of-way granted or to be granted for installation and/or maintenance of service, T.V. transmission system, mutual driveways, and for maintenance of adjoining dwellings, if applicable. Furthermore, title to the Property may be subject to encroachments by portions of the buildings located on abutting lands, including but not limited to eaves, eavestrouthing, or other attachments to the roofs, furnaces and hot water tank vents pursuant to easements given by the Vendor to the Owners of the abutting lands. The Purchaser further acknowledges that portions of the Dwelling may encroach onto abutting lands pursuant to the easements given by the Owners of the abutting lands to the Vendor. The Purchaser is not to call for the production of any title deeds, abstract or other evidence of title except as are in the possession of the Vendor. The Purchaser is to be allowed until thirty (30) days prior the Closing Date, to examine the title at his own expense and if, within that time, any valid objection to title is made in writing to the Vendor which the Vendor shall be unable or unwilling to remove and which the Purchaser will not waive, this Agreement shall (except for the Purchaser's obligations for extras or changes), notwithstanding any intermediate act or negotiations be void and the deposit monies shall be returned, without interest, and the Vendor and the Broker shall not be liable for any damages or costs whatsoever. Save as to any valid objection so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the

Property.

The Transfer is to be prepared by the Vendor on the Vendor's standard form. If required by the Vendor, the deed may contain covenants on the part of the Purchaser to comply with the stipulations set out herein and the covenants, conditions, provisions and restrictions set out in the declaration and by-laws and rules, and is to be executed by the Purchaser. Any discharges of underlying mortgages (collectively, the "Discharges") shall be prepared by the Vendor on the Vendor's standard form; the Discharges to be at the expense of the Purchaser, being a fee of \$125.00 plus HST for each discharge, irrespective of the number of Discharges required. The Purchaser shall pay the cost for registration and any exigible taxes on the registration of the Transfer and Discharges. The Purchaser agrees to provide a statutory declaration on or before closing confirming that there are no judgments outstanding against him and the Purchaser agrees to provide reasonable evidence confirming same, including a creditor's letter if necessary, if requested by the Vendor, if there is any judgment filed against a person with the same or similar name. That statutory declaration shall also include the birth date and social insurance number of the Purchaser. In the event that the electronic document registration system is operative in the relevant Land Registry Office in which the Property is situate, at the Vendor's discretion the Purchaser shall enter into the Vendor's form of escrow closing agreement which shall include provisions relating to the delivery of funds and keys and the exchange, delivery and registration of documentation.

4. TENDER:

The parties waive personal tender and agree that any tender made in accordance with the provisions set out in paragraph 13 hereof shall be good and valid. If the electronic registration system contemplated in paragraph 13 is not operative in the applicable Land Titles Office in which the Property is registered and, failing other mutually acceptable arrangements, tender may be validly made if the tendering party attends at the Registry Office in which the title to the Real Property is recorded at 4:00 o'clock p.m. on the Closing Date and for a period of one-half hour thereafter shall be ready, willing and able to close or alternatively, the tender may be validly made upon the designated solicitors for the party being tendered upon. The parties agree that payment of monies must be made or tendered in such form and by such method as may be directed in writing by the Vendor, in its sole, absolute and unfettered discretion. Unless otherwise directed, in accordance with the foregoing, payment shall be made byway of the Purchaser's solicitors certificate cheque drawn on a Schedule "1" Canadian Chartered bank. Mortgages, charges or other encumbrances not being assumed by the Purchaser need not be discharged by the Vendor in order to validate the Vendor's tender upon the Purchaser, only arrangements made to do so in accordance with paragraph 3(d) in case the Purchaser should complete the transaction. The Purchaser further acknowledges and agrees that the Vendor shall not be required to provide any key(s) as part of any tender made by it and that this Agreement provides for the release of keys following the Closing.

In the event that the Purchaser requests an extension of the closing date for any reason and such extension is granted by the Vendor in its full and absolute discretion, the Purchaser covenants and agrees that any such extension, if granted, will be conditional upon receipt of a further deposit payable to the Vendor and determined at the Vendor's sole discretion and an additional extension fee of a minimum of \$250.00 plus applicable taxes, including HST, per day for each day the closing is extended. The extension fee will be added as an adjustment due on closing and the further deposit shall be due forthwith upon the extension request being granted. Nothing in this clause shall limit the discretion of the Vendor to impose further requirements to extend the closing date, or to claim damages or other remedies that may arise due to a default by the Purchaser.

The Purchaser agrees that neither the Purchaser nor its solicitor will threaten to hold back closing funds, or advise that funds will not be tendered due to the Vendor allegedly or actually not yet completing its tender obligations, including but not limited to the delayed tender of an occupancy certificate. If the Purchaser or the Purchaser's solicitor threatens to delay or actually delays tendering for the aforementioned reasons, then it will be a FBOC by the Purchaser and the Vendor shall have all rights available to it under this agreement and at law as a result of such FBOC.

5. ADJUSTMENTS:

Realty taxes, assessment rates and local improvements to be apportioned and allowed to the Closing Date. In the event realty taxes have not been individually broken down in respect of this Property and remain en bloc, then notwithstanding that such en bloc taxes may be outstanding and unpaid, the Purchaser covenants to complete this transaction and accept the Vendor's undertaking to pay realty taxes once individually assessed against this Property. The Purchaser agrees to pay on closing a deposit, the amount to be determined by the Vendor, to be readjusted and to be applied on account of the Purchaser's portion of realty taxes applicable to his Property. Municipal realty tax re-assessment and/or supplementary tax bills relating to the Dwelling constructed on the Property issued subsequent to the Closing Date shall be the sole responsibility of the Purchaser. The Purchaser agrees to pay all relevant taxes in connection with the subject purchase transaction which shall be in addition to the purchase price and may be included on the Statement of Adjustments. The Vendor may require the Purchaser to accept or assume the cost of the insurance premium for the insurance policy arranged by the Vendor, the cost of which will be credited to the Vendor on closing.

6. MODELS:

The Purchaser acknowledges that the model homes, if any, are for display purposes only, and that some or all of the features contained therein may not be included in the Dwelling unless same is specifically provided for in any schedule forming part of this Agreement. The Purchaser acknowledges and accepts that the Vendor will be maintaining the model home or homes or sales offices and all advertising signs associated therewith for sale purposes until all homes in this subdivision and/or the adjacent subdivisions built by the Vendor or its affiliated corporations have been constructed, sold and occupied. The Purchaser acknowledges that the lot dimensions illustrated on the proposed plan of subdivision (if not registered) are approximate and may be varied in accordance with the requirements of the Vendor or the Municipality. The Purchaser further acknowledges that the lot dimensions illustrated on various plans, brochures or other marketing materials displayed in the sales office or elsewhere are approximate and it is suggested that the Purchaser refer to the actual dimensions of the subject lot as noted on the proposed plan of subdivision subject to the foregoing.

The Purchaser acknowledges that if the Property being purchased herein has been used by the Vendor as a model home or inventory to the Vendor, then there will be wear and tear in the Property which the Purchaser accepts and the Purchaser acknowledges that he/she is purchasing this Property on an "as is" basis including without limiting the generality thereof existing nicks, dents, scratches, scuff marks on all hardwood areas, stairs, pickets, stringer, risers, treads, all trim work doors, jambs, baseboards/casings, wear and tear on carpet, existing paint touch-up blemishes, existing chips and scratches on ceramics and grout areas, wear and tear and scuff marks on all counters and tubs and agrees that the Vendor shall not be responsible either directly or indirectly (including by way of claim pursuant to the legislation relating to the Taron warranties) to clean, repair or replace any part of the Property including wall covering, carpeting, vinyl/ceramic/hardwood flooring, cabinetry, window treatments, trees, shrubs or other planting materials, interlocking walkways and/or slab walkways, or any other features or extras on the Property either before or after closing unless specifically set out in this Agreement of Purchase and Sale. The Purchaser acknowledges that the life time line of the exterior brick work, shingles, windows and doors seals commenced at the time the model home was built and the Builder's warranties have expired and the Builder's warranties on the air conditioner and humidifier (Mechanical Units) have expired and agrees that the Vendor shall not be responsible either directly or indirectly (including by way of claim pursuant to the legislation relating to the Taron warranties) for any warranty claim for same. All appliances, including but not limited to the air conditioner and humidifiers (Mechanical Units), and fixtures included in the purchase price are purchased in an "as is" condition.

7. REZONING:

The Purchaser acknowledges receipt of notice from the Vendor that the Vendor and/or the Subdivider may apply for a re-zoning with respect to the blocks or lots not purchased hereunder as laid down by the plan of subdivision within which the Property is situated or with regard to the lands adjacent to or near the lands laid down by such plan of subdivision, and the Purchaser, the Purchaser's successors and assigns, shall consent to any such application and agrees that this paragraph may be pleaded as a bar to any objection by the Purchaser to such re-zoning. The Purchaser covenants to include this clause in any conveyance, mortgage or disposition of the Property and to assign the benefit of such covenant to the Vendor. The Purchaser acknowledges that this provision may be contained in the Transfer/Deed of Land or in a separate document registered or to be registered on title.

10. PLANNING ACT COMPLIANCE:

It is understood that this Agreement is subject to compliance in all respects with the subdivision control provisions of the Planning Act (Ontario), which compliance shall be obtained by the Vendor at its sole expense before Closing, failing which (in the absence of any extension of the Closing established or implemented by the Vendor pursuant to and in accordance with the provisions of the Tarion Addendum) this Agreement shall automatically be terminated and have no further force and effect, and the Vendor and the Purchaser shall have no further liabilities or obligations hereunder, and neither of the parties hereto shall thereafter be liable to the other for any costs and/or damages that may be suffered or incurred by them in connection with this Agreement or the termination thereof, save and except for any compensation that may be payable by the Vendor to the Purchaser in connection therewith pursuant to the provisions of the Tarion Addendum.

11. FINANCING AND PURCHASER'S OBLIGATIONS:

The Purchaser covenants and agrees to provide evidence to the Vendor's satisfaction, in its sole, unfettered and absolute discretion, that the Purchaser has the ability to complete the purchase and perform his obligations under this Agreement. The Purchaser shall, within ten (10) business days of the Date of Acceptance of this Agreement, produce one or a combination of the following:

The Purchaser, by executing this Agreement hereby irrevocably authorizes and directs any proposed Lender to release to the Vendor, at such times as the Vendor may request, all information and documentation in the Lender's possession and control respecting the Commitment and the Purchaser further agrees to provide the Lender with the necessary additional authority to provide such information to the Vendor, if such additional authority is required, without exception. If the Purchaser does not intend to rely upon mortgage funds to complete the subject transaction then the Purchaser shall provide a letter from their bank or solicitor satisfactory to the Vendor, in its sole, subjective and absolute discretion, confirming the Purchaser's ability to complete this transaction.

In addition, if required, the Purchaser shall execute an irrevocable direction acceptable to the Vendor as to form and substance whereby the Purchaser directs such lending institution to pay the net proceeds of all advances pursuant to the Commitment directly to the Vendor or as the Vendor may direct. The Vendor may, in its sole discretion, elect to accept in the place of such Commitment, other evidence satisfactory to the Vendor that the Purchaser will have available sufficient funds to pay the balance due on Closing. If the Purchaser fails to provide the Commitment within the timeframe prescribed above, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in the Agreement and/or at law. If the Vendor, in its reasonable discretion, determines that the Commitment or other evidence submitted by the Purchaser does not demonstrate a reasonable financial ability to complete the transaction, the Vendor may elect, in its sole, subjective and absolute discretion, that rather than terminate this Agreement additional deposits shall be payable by the Purchaser at such times and in such amounts indicated by the Vendor, in its sole, subjective and absolute discretion, provided that such further deposits total no more than an additional 10% of the Purchase Price.

The Purchaser is hereby notified that a consumer's report containing credit and personal information may be obtained and referred to at any time in connection with this transaction and the Purchaser hereby consents to such report being obtained by the Vendor and/or any Mortgagee. If the Purchaser has not provided the aforesaid credit and lawyer information within the aforesaid time period, the Purchaser may be deemed to be in default under this Agreement.

Without limiting the generality of the foregoing and notwithstanding any other provision in this Agreement to the contrary, within ten (10) days of written demand from the Vendor, the Purchaser agrees to produce evidence of a satisfactory mortgage approval signed by a lending institution or other mortgagee acceptable to the Vendor, in its sole, unfettered and absolute discretion, confirming that the said lending institution or acceptable mortgagee will be advancing funds to the Purchaser sufficient to pay the balance due on the Closing Date, or other evidence of an ability to close satisfactory to the Vendor in its sole, unfettered and absolute discretion and satisfactory to the Vendor's construction lender. If the Purchaser fails to provide the financial and personal information or the mortgagee approval as aforesaid, or if the Vendor or the Vendor's construction lender is not satisfied as aforesaid, then, at the Vendor's option:

- (i) The Purchaser shall forthwith pay TEN PERCENT (10%) of the Purchase Price as an additional Deposit to the Vendor; or
- (ii) The Purchaser shall be deemed to have committed a FBOC

The Vendor may, in its sole, unfettered and absolute discretion, elect to accept in the place of such mortgage approval, other evidence satisfactory to the Vendor, in its sole, unfettered and absolute discretion, that the Purchaser will have sufficient funds to pay the balance due on the Closing Date.

In the event of such a default, the Vendor may exercise any of its rights in the event of default or, in its sole, subjective absolute discretion, elect to forgive and allow rectification of the default on such terms and conditions as are acceptable to the Vendor. In addition to and notwithstanding the above, in the event the Purchaser does not retain a solicitor at least 30 days prior to Closing and notify the Vendor thereof, the Purchaser shall not only be in default hereunder but also acknowledges and agrees that in such event tender by the Vendor is waived and the Vendor will be deemed on the day of Closing to be ready, willing and able to complete this transaction without having to give proof thereof. In addition, if the Purchaser notifies the Vendor of its solicitor information less than 30 days prior to Closing or changes its solicitor, and the Vendor forgives any default that arises therefrom, the Purchaser shall pay to the Vendor's Solicitors (or reimburse the Vendor) for all additional legal fees and disbursements which may be incurred by the Vendor or charged by its solicitors, which shall be at a minimum \$250 (plus HST), which payment may be, at the Vendor's option, charged as an adjustment on Closing.

The Purchaser hereby warrants and represents to the Vendor that with respect to this transaction, the Purchaser qualifies for the new housing rebate applicable pursuant to Section 254 of the *Excise Tax Act* (Canada), as may be amended, and the new housing rebate announced by the Ontario Ministry of Revenue in its Information Notice dated June 2009 – No. 2 (the "Ontario Circular") (collectively, the "Rebate") and further warrants and represents that the Purchaser is a natural person who is acquiring the Real Property with the intention of being the sole beneficial owner thereof on the Closing Date (and not as the agent or trustee for or on behalf of any other party or parties), and covenants that upon the Closing Date, the Purchaser or one or more of the Purchaser's relations (as such term is defined in the *Excise Tax Act*) shall personally occupy the Dwelling as his primary place of residence, for such period of time as shall be required by the *Excise Tax Act*, and any other applicable legislation, in order to entitle the Purchaser to the Rebate (and the ultimate assignment thereof to and in favour of the Vendor) in respect of the Purchaser's acquisition of the Real Property. The Purchaser further warrants and represents that he has not claimed (and hereby covenants that the Purchaser shall not hereafter claim), for the Purchaser's own account, any part of the Rebate or the RST Transitional Housing Rebate referred to in the Ontario Circular (the "Transitional Rebate") in connection with the Purchaser's acquisition of the Real Property, save as otherwise may be hereinafter expressly provided or contemplated. The Purchaser hereby irrevocably assigns to the Vendor all of the Purchaser's rights, interests and entitlements to the Rebate and the Transitional Rebate (and concomitantly releases all of the Purchaser's claims and interests in and to the Rebate and the Transitional Rebate, to and in favour of the Vendor), and hereby irrevocably authorizes and directs CRA to pay or credit the Rebate and the Transitional Rebate directly to the Vendor. The Purchaser covenants and agrees to indemnify and save the Vendor harmless from and against any losses, costs, damages and/or liabilities (including an amount equivalent to the Rebate and the Transitional Rebate, plus penalties and interest thereon) which the Vendor may suffer, incur or be charged with, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate or the Transitional Rebate to the Vendor (or the ineffectiveness of the documents purporting to assign the benefit of the Rebate or the Transitional Rebate to the Vendor). As security for the payment of such amount, the Purchaser does hereby charge and pledge his interest in the Real Property with the intention of creating a lien or charge against same. It is further understood and agreed by the parties hereto that:
- i. (i) if the Purchaser does not qualify for the Rebate, or fails to deliver to the Vendor or the Vendor's solicitors forthwith upon the Vendor's or the Vendor's solicitors request for same (and in any event on or before the Closing Date) the Rebate Forms duly executed by the Purchaser, together with all other requisite documents and assurances that the Vendor or the Vendor's solicitors may reasonably require from the Purchaser or the Purchaser's solicitor in order to confirm the Purchaser's eligibility for the Rebate and/or to ensure that the Vendor ultimately acquires (or is otherwise assigned) the benefit of the Rebate and the Transitional Rebate; or
 - ii. (ii) if the Vendor believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Closing Date;
- then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), by certified cheque delivered on the Closing Date, an amount equivalent to the Rebate and/or the Transitional Rebate, in addition to the Purchase Price and in those circumstances where the Purchaser maintains that he is eligible for the Rebate despite the Vendor's belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to pursue the procurement of the Rebate directly from CRA. It is further understood and agreed that in the event that the Purchaser intends to rent out the Dwelling after the Closing Date, the Purchaser shall not be entitled to the Rebate, but may nevertheless be entitled to pursue, on his own after the Closing Date, the federal and provincial new rental housing rebates directly with CRA, pursuant to Section 256.2 of the *Excise Tax Act*, as may be amended, and other applicable legislation to be enacted relating to the provincial new rental housing rebate.
- (b) Notwithstanding any other provision herein contained in this Agreement, the Purchaser acknowledges and agrees that the Purchase Price does not include any HST exigible with respect to any of the adjustments payable by the Purchaser pursuant to this Agreement, or any extras, upgrades or changes purchased, ordered or chosen by the Purchaser from the Vendor which are not specifically set forth in this Agreement, and the Purchaser covenants and agrees to pay such HST to the Vendor in accordance with the *Excise Tax Act*. In addition, and without limiting the generality of the foregoing, in the event that the Purchase Price is increased by the addition of such extras, changes, upgrades or adjustments and as a result of such increase, the quantum of the Rebate that would otherwise be available is reduced or extinguished (the quantum of such reduction being hereinafter referred to as the "Reduction"), then the Purchaser shall pay to the Vendor on the Closing Date the amount of the Reduction as determined by the Vendor in its sole and absolute discretion.
