SCHEDULE "X"

1. CONSTRUCTION MATTERS:

CONSTRUCTION AND OCCUPANCY OF DWELLING:

(a) The Vendor will construct (if not already constructed) and complete upon the Property a dwelling (the "Dwelling") of the type hereinbefore indicated substantially in accordance with the plans and specifications available for viewing by the Purchaser at the Vendor's sales office. The Dwelling shall be deemed to be completed for the purposes of Closing when the requirements of the Tarion Addendum and Statement of Critical Dates have been met and the Purchaser agrees in such case to close this transaction, without holdback of any part of the Purchase Price, on the Vendor's undertaking given pursuant to section headed "FINAL INSPECTION" hereof to complete the Dwelling, and the Purchaser hereby agrees to accept the Vendor's covenant of indemnity regarding lien claims which are the responsibility of the Vendor, its trades and/or suppliers, in full satisfaction of the Purchaser's rights under the Construction Act, and will not claim any lien holdback on the Closing Date. Notwithstanding anything else herein contained, if for any reason except for the wilful neglect of the Vendor the Dwelling is not completed, utility services are not operative, the Planning Act has not been complied with, or the Dwelling has not been approved for occupancy by the Municipality on or before the Closing Date, the Purchaser agrees to grant and hereby grants such extension or extensions of time for completion of the foregoing as may be required by the Vendor and, subject to the provisions of the Addendum, the Closing Date shall be extended accordingly. Furthermore, if by reason of "Unavoidable Delay" as defined in or as otherwise permitted by the Tarion Addendum and Statement of Critical Dates the Vendor is required to extend the Closing, the Vendor shall be entitled to extend the Closing provided the Vendor complies with the provisions of the Tarion Addendum and Statement of Critical Dates in respect of such extensions. The Dwelling shall be deemed to be completed when all interior work has been substantially completed as determined by the Vendor and provided that the provisions of paragraph 9 of the Tarion Addendum and Statement of Critical Dates attached hereto have been complied with. The Purchaser agrees to complete this transaction notwithstanding any claims submitted to the Vendor and/or Tarion or otherwise in respect of apparent deficiencies or incomplete work.

(b) The Purchaser acknowledges and agrees that in the event the Dwelling being purchased herein is a semi-detached or townhouse dwelling unit, the lot or block upon which such dwelling unit is constructed will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of such lot or block.

(c) In the event that the Dwelling includes stucco to be installed on the exterior of the Dwelling, the Purchaser acknowledges that there may be a variance in accordance with Tarion standards, which the Purchaser agrees to accept, without objection or claim for compensation. In the event that the Dwelling includes stucco to be installed on the exterior of the Dwelling, the Purchaser acknowledges that there may be variance in the colour of such stucco and that the Vendor shall choose, in its sole, absolute and unfettered discretion, the texture of such stucco, and the Purchaser agrees to accept same without objection or claim for compensation.

(d) **FINAL INSPECTION:**

(i) The Vendor represents and warrants to the Purchaser that the Vendor is in good standing with Tarion Warranty Corporation (formerly the Ontario New Home Warranty Program) ("Tarion"). The Vendor covenants that on the closing of this transaction a written warranty in the Tarion standard form will be requested by the Vendor from Tarion and that a warranty certificate will be mailed directly to the Purchaser by Tarion. The Purchaser agrees to accept such warranty in lieu of any other warranty or guarantee, expressed or implied, it being understood and agreed that there is no representation, warranty, guarantee, collateral agreement or condition precedent to, concurrent with, or in any way affecting this Agreement or the Property other than as expressed herein and more specifically, the Purchaser absolves the Vendor from any representations made by any and all sales representatives unless the same have been reduced to writing herein. This Agreement represents and expresses the entire Agreement between the parties hereto.

(ii) The parties agree that the Purchaser (or the Purchaser's designate) will meet at the Dwelling on or before the Closing Date to conduct the pre-delivery inspection (the "PDI"). The Purchaser acknowledges that the warranties being given by the Vendor to the Purchaser under the terms of the Ontario New Home Warranties Plan Act R.S.O. 1990 C.O.-31 (the "Act") and which Act is administered by the Tarion Warranty Corporation (hereinafter called "Tarion") are the only warranties at law or otherwise being given to the Purchaser by the Vendor under the terms of this Agreement of Purchase and Sale. In this regard the Purchaser agrees that approximately seven (7) days prior to the Closing Date, the Purchaser will contact the Vendor to arrange to inspect the Property with the Vendor's representative. The Purchaser shall not be entitled to examine the Dwelling except when accompanied by a representative of the Vendor. During such inspection all damaged, incomplete or missing items and anything that is not in good operating condition, if any, shall be listed in writing on the Certificate of Completion and Possession form (the "CCP") and the Pre-Delivery Inspection form (the "PDI Form") provided for by Tarion and which forms shall be signed by the Purchaser and the Vendor's representative. Save as so listed the Purchaser shall be conclusively deemed to have accepted the Property as complete in accordance with this Agreement. The Vendor shall complete all matters set out in the CCP and the PDI Form as soon as reasonably practicable. Further, the Vendor agrees to rectify any defects in materials or workmanship covered by the Tarion warranty issued to the Purchaser as soon as reasonably practicable after the same has been called to the Vendor's attention by notice in writing, including having regard to weather conditions and availability of trades and materials. The Purchaser acknowledges that construction materials shrink as they dry resulting in nail 'pops'. Year-end drywall repairs will consist of compound patching only. Pursuant to Tarion policy, sanding and/or priming will be the responsibility of the Purchaser. The Vendor will endeavour to match colours of materials as closely as possible. The Purchaser further agrees that the Vendor shall have the right to enter upon the Property and Dwelling after completion of the transaction, without prior notice to the Purchaser, in order to complete such items as are contained in the CCP and PDI Form and for all warranty services that may be required to be performed by Tarion, all inspections, Home Owner service work, and/or work required by trades.

(iii) The completion of the PDI and the completion and signing of the CCP and PDI Form as aforesaid are conditions of the Vendor's obligation to give occupancy of the Property and complete this transaction.

(iv) The Purchaser acknowledges having been advised that an online Learning Hub ("LH") developed by Tarion is available from Tarion and that the Purchaser shall access and review all materials within the LH on or before the PDI. The Purchaser agrees that either the Purchaser or the Purchaser's designate, will execute and provide to the Vendor the prescribed Confirmation of Review of the LH materials (the "Confirmation") while attending the PDI.

(v) Notwithstanding anything else herein contained, the Purchaser shall be entitled to send a designate to conduct the PDI in the Purchaser's place or attend with their designate, provided the Purchaser first provides to the Vendor the Appointment of Designate for PDI in the form prescribed by Tarion (the "Appointment Form"), prior to the PDI. If the Purchaser appoints a designate, the Purchaser acknowledges and agrees that the Purchaser shall be bound by all the documentation executed by the designate to the same degree and with the force and effect as if executed by the Purchaser personally.

(vi) In the event the Purchaser or the Purchaser's designate, as the case may be, fails to attend the PDI or fails to execute the CCP and PDI Form at the conclusion of the PDI, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth herein and at law. Alternatively, the Vendor may, at its option, complete the CCP and PDI Form on behalf of the Purchaser or the Purchaser's designate, as the case may be, and the Purchaser and/or the Purchaser's designate, as the case may be, hereby irrevocably appoints the Vendor as the Purchaser's or the Purchaser's designate, as the case may be, attorney to complete the CCP and PDI Form on the Purchaser's or the Purchaser's designate's

behalf, as the case may be, and, in which event, the Purchaser shall be bound as if the Purchaser or the Purchaser's designate, as the case may be, had executed the CCP and PDI Form.

(vii) In the event the Purchaser and/or the Purchaser's designate fails to execute the Confirmation during the PDI, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of remedies set forth herein and at law. Alternatively, the Vendor may, at its option, execute the Confirmation on behalf of the Purchaser or the Purchaser's designate, as the case may be, and the Purchaser and/or the Purchaser's designate, as the case may be, hereby irrevocably appoints the Vendor as the Purchaser's and/or the Purchaser's designate, as the case may be, attorney to execute the Confirmation on the Purchaser's or the Purchaser's designate's behalf, as the case may be, and, in which event, the Purchaser and/or the Purchaser's designate, as the case may be, shall be deemed to have executed the Confirmation.

(viii) The registration of the transfer to the Purchaser shall constitute acceptance by the Purchaser of the Property and shall be deemed to be a complete release by the Purchaser, of the Vendor under this Agreement from any and all liability of any kind whatsoever under this Agreement save only for the completion after closing of the work, if any, listed as aforesaid on the CCP and PDI Form, or, if nothing is listed thereon, as required to be done in accordance with this Agreement. If the Purchaser is more than one person, only one such Purchaser need attend the PDI and sign the CCP, PDI Form and Confirmation and each Purchaser hereby irrevocably appoints the other Purchaser or Purchasers as agent for the purpose of attending the PDI and signing the CCP, PDI Form and Confirmation. For purposes of the Appointment Form, the same designate must be collectively appointed by all such Purchasers. There shall be no holdback for uncompleted work and the full balance of the Purchase Price will be paid to the Vendor on closing.

2. PURCHASER'S COVENANTS:

The Purchaser agrees with the Vendor as follows:

ACCEPTANCE OF PLAN OF SUBDIVISION:

(a) To forthwith upon request do all acts and execute and deliver all documents, both before and after closing, as may be required by the Vendor or the relevant municipality (the "Municipality") in connection with and the acceptance of the plan of subdivision wherein the Property is situate as a whole by the Municipality.

ENCUMBERING THE PROPERTY:

(b) The Purchaser will not before closing, mortgage, sell, deal with or in any way encumber the Property, directly or indirectly, twill not permit any lien, execution or conditional sales agreement to be registered or filed and will not obstruct or alter the premises.

NON-MERGER:

(c) Notwithstanding the closing of this transaction, the Purchaser's covenants, warranties and agreements in this Agreement shall not merge and the Purchaser shall give to the Vendor any further written assurance as may be required by the Vendor to give effect to this covenant either before or after the Closing Date. The Vendor, the subdivider (the "Subdivider") of the plan of subdivision in which the Property is situated, the Municipality or their servants or agents may, for such period after closing as is designated by the Subdivider, the Vendor and/or the Municipality, enter upon the Property at all reasonable hours to inspect, repair, complete or rectify construction, grade and undertake modifications to the surface drainage, including installation and catch basins, without liability therefor, and the Transfer/Deed may contain such a provision.

SUBSTITUTIONS:

(d) Acceptance of construction, siting and grading by the Municipality shall conclusively constitute acceptance by the Purchaser. The Vendor shall have the right to substitute materials for those designated in the plans and/or specifications provided the quality is equal or better, and also to make minor changes in plans, siting and specifications, provided there is no objection from the Municipality. The Purchaser acknowledges that the siting of the garage for the dwelling unit has not yet been established and the Purchaser accepts that the garage may be sited on either side of the dwelling unit in accordance with the Vendor's architectural and engineering requirements for the dwelling.

GRADING:

(e) The Purchaser will not alter the grading of the Property contrary to the municipally approved drainage and/or grading control plan, and provided that lot grading has been completed in accordance with the municipally approved drainage and/or grading control plan, the Purchaser is estopped both from objecting thereto and from requiring any amendments thereto including the location of catch basins and infiltration trenches. If the Vendor has not undertaken to pave or finish the driveway pursuant to this Agreement, the Purchaser shall not pave or finish the driveway without the prior written consent of the Vendor and the prior written consent of the Subdivider and the Municipality, if required by the subdivision agreement or any other municipal agreement or requirement, following such approval and prior to completing the driveway, the Purchaser shall notify the Vendor in writing so that water keys can be located and raised, if necessary. The Purchaser covenants and agrees not to damage or alter any subdivision service, and shall be liable for the cost of rectification of any such damage or alteration, and in the event same is not paid upon demand, the Vendor shall have the right to register a lien on title to secure such payment. The Purchaser agrees that neither the Purchaser(s) nor their successors or assigns shall construct or install a swimming pool, fencing, or decking upon the property until after the Vendor has obtained acceptance of lot grading from the Municipality.

The Purchaser acknowledges that the Vendor may not be completing the paving of the driveway for the property as contemplated herein, until after the closing of this transaction. Without limiting the generality of what may be contained herein, the Purchaser acknowledges and agrees with the Vendor that, after closing, he will not alter or change either the driveway or curbs without the express written consent of the Vendor, Subdivider and the Municipality, which consent may be arbitrarily withheld, until the subdivision has been assumed by the Municipality for maintenance purposes. The Purchaser further acknowledges that if he alters or changes the driveway and/or curbs that the Vendor has the right to enter the property, without prior notice to the Purchaser, to restore the driveway and/or curbs to their previous placement and/or condition and to charge the cost of same to the Purchaser as a lien on his property until paid by the Purchaser to the Vendor.

The Purchaser acknowledges that the Vendor, at this time, is not aware of the final grading to be required for this property. The Purchaser further acknowledges that if the Municipality requires an upgrade elevation for the property that the extra costs for the upgraded elevation will be paid for by the Purchaser on the final Statement of Adjustments at the time of the closing of the transaction.

The Purchaser and/or the Purchaser's designate does hereby agree that at the time of the PDI or such other time as may be set by the Vendor, the Purchaser and/or the Purchaser's designate will attend at the Property and upon such request, the Purchaser and/or the Purchaser's designate and Vendor mutually agree that they will attend at the Property to inspect with the Vendor the subdivision services installed by the Vendor or Subdivider and to compile a list of all existing damages or defects to the subdivision services, including buried or damaged water boxes and keys, damaged curbs or sidewalks, retaining walls, acoustic barriers, fences and other

such applicable services. Such compiled list to be signed by the Vendor and the Purchaser and/or the Purchaser's designate, and the Purchaser shall not under any circumstances be responsible for the cost of repair, rectification or replacement of such existing damages or defects. The Subdivider's consulting engineer for this subdivision shall be the authority for the development of the subdivision as a whole and will determine responsibility and damages and costs therefore and in the event that the Subdivider's consulting engineer determines the responsibility for the cost of repair, rectification and/or replacement is that of the Purchaser, then the Vendor will charge the Purchaser accordingly, save and except for those items listed on inspection as noted herein and the Purchaser agrees to abide by such engineer's decision and the Vendor shall be entitled to compensation from the Purchaser and for such costs and the Purchaser shall pay such costs upon demand by the Vendor.

UTILITIES:

(f) Unless expressly provided in this Agreement, the water heater is not included in the Purchase Price and shall remain chattel property. The Purchaser acknowledges that the water heater for the dwelling may be either (a) a rental water heater in which case the Purchaser agrees to execute a rental contract, if requested, with the designated supplier for the said water heater prior to closing. The rental rate as of the date of this Agreement is approximately \$55.00 per month plus tax (and any increase that the supplier may levy for the rental water heater) or (b) the Vendor shall install a water heater in the dwelling and the Purchaser agrees to pay to the Vendor the cost of such water heater as an adjustment, on closing, together with applicable taxes thereon.

In either situation, the Purchaser agrees to take all necessary steps to immediately assume, on closing, all charges for hydro, water, gas and other services and the Vendor may recover any payments made by the Vendor on account of the Property from the Purchaser. The gas meter/water meter/electricity meter is/are not included in the purchase if it/they is/are not the Property of the Vendor. The Purchaser shall pay, or reimburse the Vendor for the cost of the charge made for, or prepayments for, or security performance deposits relating to, any of the water, electricity or gas service, including, without limitation, the cost and/or installation of any meters, and the installation, connection and/or energization fees for any of such services. The Purchaser agrees to accept the utility suppliers designated by the Vendor. Subsequent to the Closing and prior to assumption of the subdivision by the Municipality, if the Purchaser changes any or all of the utility suppliers, the Purchaser shall be responsible for the repair of any damage caused to the Property and neighbouring lands by such alternate utility suppliers and any costs incurred by the Vendor or Subdivider to restore the Property to the original state provided by the Vendor.

ENROLMENT FEE(S):

(g) The Purchaser agrees to reimburse the Vendor as an adjustment on Closing for any enrolment and/or regulatory fees paid by the Vendor for the Property under, pursuant to or as a requirement or prerequisite of any governmental authority and any of the following: the Ontario New Home Warranties Plan Act (the "Warranty Act"), New Home Construction Licensing Act, 2017, the Act, the Condominium Management Services Act, or by any of the regulators or authorities pursuant to any of the foregoing, including, without limitation, the Tarion Warranty Corporation, the Home Construction Regulatory Authority and/or the Condominium Authority of Ontario;

The Purchaser will provide notice of their new home purchase to Tarion within 45 days of entering into this agreement.

TITLE DIRECTION:

(h) The Purchaser(s) agrees to provide the Vendor's Solicitor with a written direction as to whom title is to be conveyed (subject to the first mortgagee's requirements which the purchaser will abide by) no later than sixty (60) days prior to the Closing Date, failing which the Vendor is hereby directed to convey title to the Purchaser(s) set forth and named in this Agreement. Title may only be directed by the Purchaser, to add his spouse, son and /or daughter and no other party without the written consent of the Vendor, which consent may be withheld for any reason whatsoever, all in accordance with the terms of Clause 2(k) herein, provided that at no time shall the original Purchaser(s) be permitted to remove their name from title without written consent from the Vendor. In the event of any change, the Purchaser agrees to pay to the Vendor's Solicitor their legal fees. The Purchaser covenants not to register this Agreement or any other document on title prior to closing. The Purchaser acknowledges that registration against title to the Land of any notice or caution or other reference to this Agreement or his or her interest in the Land is likely to cause inconvenience and prejudice to the Vendor, for example, by impeding financing. If any such registration occurs, the Vendor may terminate this Agreement forthwith and retain the deposit in addition to and without prejudice to any other remedy available to the Vendor arising out of such default. Further, the Purchaser hereby irrevocably consents to a court order removing such registration and agrees to pay all costs of obtaining such order on a full indemnity basis.

RELEASE OF KEYS:

(i) Keys will be released to the Purchaser at the construction site or the sales office of the Vendor, as the Vendor in its absolute discretion determines, upon completion of this transaction, unless otherwise specifically agreed to in writing between the Vendor and the Purchaser. The Purchaser agrees that the Vendor's advice that the keys are available for release to the Purchaser constitutes a valid tender of keys on the Purchaser. Upon completion of this transaction, if the Purchaser fails to attend to pick up the keys by 5:00 o'clock p.m. on that day, the Vendor may retain the keys and release same to the Purchaser on the next following business day.

EXTRAS, COLOUR SELECTION AND FINISHES:

(j) The Purchaser covenants and agrees that he shall pay to the Vendor in advance for all extras, upgrades or changes ordered by the Purchaser at the time such order is made and the Purchaser further acknowledges and agrees that such payment is non-refundable in the event that his transaction is not completed for any reason whatsoever except due to default of the Vendor. The Purchaser's failure to pay for upgrades or the Purchaser issuing a cheque which does not clear the Vendor's bank or is marked for insufficient funds shall be a fundamental breach of contract (in this Agreement referred to as a "FBOC"). Notwithstanding anything therein contained to the contrary, the Purchaser acknowledges and agrees that if, upon Closing, any of the extras, upgrades or changes ordered by the Purchaser remain incomplete in whole or in part or if the Vendor does, in its sole discretion, determine that it will not provide extras, upgrades or changes or cannot complete the extras, upgrades or changes, then that portion of the amount paid by the Purchaser in connection with such extras, upgrades or changes allocated to those extras, upgrades or changes which remain incomplete in whole or in part as aforesaid, as determined by the Vendor, shall be refunded to the Purchaser upon Closing. The Purchaser further acknowledges and agrees that the amount so paid to the Purchaser (or for which, in the alternative, the Purchaser receives credit in the statement of adjustments) shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the extras, upgrades or changes which remain incomplete as aforesaid. The Purchaser further acknowledges that the Vendor's liability with respect to such incomplete extras, upgrades or changes shall be limited to the return of the amounts referred to aforesaid and, thereafter, there shall be no further liability upon the Vendor in connection with such incomplete extras, upgrades or changes and upon such payment being made or credit being given, the Vendor shall be deemed to have been released from any and all obligations, claims or demands whatsoever with respect to such incomplete extras, upgrades or changes. In the event the Purchaser, upon the Vendor's request, neglects to advise the Vendor forthwith in writing, as to the Purchaser's selection of items for upgrades, bonus packages, or finishing specifications, including but not limited to the specifications of any extras or upgrades that the Purchaser has ordered, the Vendor shall have the right to make said choices on behalf of the Purchaser, and the Purchaser agrees to irrevocably accept the choices of the Vendor. If the Vendor's selections exceed the original price or bonus amount that the Purchaser contracted for with the Vendor, the Purchaser shall be responsible to pay the Vendor any additional costs associated with the Vendor's selections, and said additional costs will be added to the Purchase Price. Further, in the event the Purchaser neglects to advise the Vendor in writing, forthwith upon request, as to the Purchaser's selection of finishing specifications,

or orders any extras, upgrades in interior finishing, or performs any work in or about the Dwelling which causes delay in the Vendor's construction operations, the Vendor may require the Purchaser to complete this transaction on the Closing Date herein set out without holdback of any part of the Purchase Price, on the Vendor's undertaking to complete any of the Vendor's outstanding work. If for any reason payment for such extras, upgrades or charges ordered by the Purchaser is not received at the time such order is made, any such outstanding amounts shall bear interest from such time at the rate of 24% per annum, calculated and compounded daily, until paid in full provided that if such outstanding amounts or any part thereof remains outstanding at closing, such amount together with interest calculated and compounded as aforesaid shall be credited to the Vendor on the Statement of Adjustments.

(k) The Purchaser covenants and agrees that he will within ten (10) days of notification from the Vendor attend and complete the Vendor's colour and material selection form (the "Interior Finishing Selection Sheet") for those items of construction or finishing for which the Purchaser is entitled to make selection pursuant to this Agreement, failing which the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in this Agreement and/or at law or, in the alternative, the Vendor may complete the same in its sole and absolute discretion, on behalf of the Purchaser and the Purchaser agrees to be bound by the Vendor's selection and the Vendor shall not be liable for any delays in having the Property ready for Closing. Notwithstanding the immediately preceding sentence, the Vendor may, in its sole, unfettered, absolute and subjective discretion, allow the Purchaser to make changes to the colour and materials selected by the Vendor on the Purchaser's behalf, provided that the Purchaser shall pay to the Vendor an administration fee of \$250.00 plus applicable taxes for each change so requested by the Purchaser. The Purchaser acknowledges that when said selection form is completed, it shall constitute part of this Agreement.

(l) The Purchaser acknowledges that the Vendor's scheduling requirements are paramount and that the Purchaser will be required to attend appointments at times and locations selected by the Vendor to complete the colour and material selections specified above. In the event that the Purchaser is unable to attend the appointment set forth by the Vendor, the Purchaser will be required to provide cancellation notice to the Vendor 72 hours prior to the set appointment, and provide an alternative date to reschedule the appointment that falls within ten (10) business days of the cancelled appointment. In the event that the Purchaser fails to notify the Vendor and does not appear to the scheduled appointment, the Purchaser shall pay to the Vendor a fee in the sum of \$1,000.00 plus applicable taxes, for each occurrence.

(m) All selections of items of construction or finishing for which the Purchaser is entitled to make selection pursuant to this Agreement are to be made from the Vendor's samples. If the Purchaser's colour, material, construction or finishing selections are unavailable for any reason whatsoever, the Vendor shall advise the Purchaser of such unavailability, after which, the Purchaser may make an alternate selection only of such items as may be unavailable. If the Purchaser fails to make an alternate selection as aforesaid, within seven (7) days, the Vendor may substitute in its sole and absolute discretion, without the consent of the Purchaser, materials or finishing which are of equal or better quality, whether the same are different in colour and/or finish. The Purchaser hereby irrevocably agrees to accept the Vendor's selection without any right of abatement of the Purchase Price and in full satisfaction of the Vendor's obligation herein, or terminate this Agreement and the Purchaser agrees that the deposit monies paid by the Purchaser hereunder shall be forfeited to the Vendor in addition and without prejudice to any other remedy available to the Vendor arising out of such default.

(n) The Purchaser specifically acknowledges that in the manufacture of finishing items, colour variances sometimes occur. Purchaser hereby shall accept any such colour variation resulting from the manufacturing process, change of suppliers or otherwise, without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligations herein. The Purchaser acknowledges that, in the event bricks and stone are used to construct the Dwelling, gray mortar will be used between all bricks and all stone.

SALE AND ASSIGNMENT RESTRICTIONS:

o) The Purchaser represents to the Vendor upon which representation the Vendor has relied in accepting the Purchaser's offer that he is purchasing the property for his own personal use and not for short term speculative purposes. Prior to Closing the Purchaser covenants and agrees not to offer, list or advertise for sale, lease or transfer the Property, nor to sell, lease, assign or transfer the Purchaser's interest under this Agreement. The Purchaser further covenants and agrees not to post any signs for sale, or advise others that the Property is or may be available for sale, offer for sale or sell, the Property or to enter into any agreement, conditional or otherwise, to sell the Property, or any interest therein, nor to assign this Agreement or any interest herein, or the benefit thereof, nor to mortgage, deal with or in any way encumber the premises. In no event shall the Purchaser list, allow or cause to be listed for sale, lease, assignment or otherwise the Property or an interest under this Agreement on a listing service system including, without limitation, the Multiple Listing Service ("MLS") or on, by or through any other publication or medium, including, without limitation, any form of social media or through any website or application. The Purchaser will not any time prior to completing this transaction, register this Agreement, or any notice thereof, whether by caution or otherwise, or register a notice of Purchaser's lien against the Property. Any breach of the foregoing shall constitute a fundamental breach of contract (in this Agreement referred to as a "FBOC") which shall, at the Vendor's sole option, entitle the Vendor to terminate this Agreement and the Vendor shall be entitled to retain the deposit monies as liquidated damages and not as penalty in addition to and without prejudice to any other remedy available to the Vendor arising out of such default and the Purchaser shall have no further right to or interest in the Property.

p) The Purchaser represents to the Vendor, upon which representation the Vendor has relied in accepting the Purchaser's offer, that the Purchaser is purchasing the property for its own personal use and not for short term speculative purposes. Prior to Closing the Purchaser covenants and agrees not to post any signs for sale or lease, or list the Property for sale or lease, or advise others that the Property is or may be available for sale or lease, offer for sale or sell or lease, or advertise for assignment, the Property or to enter into any agreement, conditional or otherwise, to sell or lease the Property, or any interest therein, nor to assign this Agreement or any interest herein, or the benefit thereof, nor to mortgage, deal with or in any way encumber the premises or this Agreement. The Purchaser acknowledges and agrees that once a breach of the preceding covenant occurs, such breach is (or shall be) incapable of rectification, and accordingly the Purchaser acknowledges and agrees that in the event of such breach, the Vendor shall have the unilateral right and option of terminating this Agreement effective upon delivery of notice of termination to the Purchaser or the Purchaser's solicitor, whereupon the provisions of this Agreement dealing with the consequence of termination by reason of the Purchaser's default, shall apply and the Purchaser shall have no further right to or interest in the Property.

TITLE RESTRICTIONS:

q) (i) The Purchaser shall accept the Property, subject to the building and other restrictions registered on title, including provisions in the Subdivider's deed to the Vendor or Purchaser, provided there is no breach of such restrictions on closing, and to execute and grant any easements or right of way for installation and/or maintenance of services as may be required, both before and after closing, by any government or utility authority or body.

ii) The Purchaser covenants and agrees to accept title to the property subject to the following:

- (a) any registered or unregistered subdivision, development, site plan, housekeeping, financial, security or like agreement or agreements with the relevant City, Town or Municipality, containing provisions relating to the use and development of the lands on which the property is located, or with any other governmental authority having jurisdiction which may now or hereafter be entered into and to execute any documentation which may be required to evidence his consent to same;
- (b) any restrictions to legal access to the subject Property caused by the existence of 0.3 metre reserves owned by the relevant Municipality and not yet dedicated as a public highway;
- (c) any agreement entered into with the hydro electric commission for the provisions of hydro electric services;

1. (a) The Purchase Price includes a component equivalent to both the federal portion and the provincial portion of the harmonized goods and services tax or single sales tax exigible with respect to this purchase and sale transaction less: (i) the Rebate (as defined below), (ii) the Federal GST Rebate (as defined below), and (iii) the Other Rebate (as defined below) (hereinbefore and hereinafter collectively referred to as the **"HST"**), and that the Vendor shall remit the HST to Canada Revenue Agency (**"CRA"**) on behalf of the Purchaser following the completion of this transaction. The Purchaser hereby warrants and represents to the Vendor that with respect to this transaction, the Purchaser qualifies for the new housing rebate applicable pursuant to Section 254 of the *Excise Tax Act* (Canada), as may be amended, and the new housing rebate announced by the Ontario Ministry of Revenue in its Information Notice dated June 2009 – No. 2 (the **"Ontario Circular"**) (collectively, the **"Rebate"**) and further warrants and represents that the Purchaser is a natural person who is acquiring the Real Property with the intention of being the sole beneficial owner thereof on the Closing Date (and not as the agent or trustee for or on behalf of any other party or parties), and covenants that upon the Closing Date, the Purchaser or one or more of the Purchaser's relations (as such term is defined in the *Excise Tax Act*) shall personally occupy the Dwelling as his primary place of residence, for such period of time as shall be required by the *Excise Tax Act*, and any other applicable legislation, in order to entitle the Purchaser to the Rebate (and the ultimate assignment thereof to and in favour of the Vendor) in respect of the Purchaser's acquisition of the Real Property. The Purchaser further warrants and represents that he has not claimed (and hereby covenants that the Purchaser shall not hereafter claim), for the Purchaser's own account, any part of the Rebate or the RST Transitional Housing Rebate referred to in the Ontario Circular (the **"Transitional Rebate"**) in connection with the Purchaser's acquisition of the Real Property, save as otherwise may be hereinafter expressly provided or contemplated. The Purchaser hereby irrevocably assigns to the Vendor all of the Purchaser's rights, interests and entitlements to the Rebate and the Transitional Rebate (and concomitantly releases all of the Purchaser's claims and interests in and to the Rebate and the Transitional Rebate, to and in favour of the Vendor), and hereby irrevocably authorizes and directs CRA to pay or credit the Rebate and the Transitional Rebate directly to the Vendor. In addition, the Purchaser shall execute and deliver to the Vendor, forthwith upon the Vendor's or Vendor's solicitors' request for same (and in any event on or before the Closing Date), all requisite documents and assurances that the Vendor or the Vendor's solicitors may reasonably require in order to confirm the Purchaser's entitlement to the Rebate and/or to enable the Vendor to obtain the benefit of the Rebate and the Transitional Rebate (by way of assignment or otherwise), including without limitation, the New Housing Application for Rebate of Goods and Services Tax Form as prescribed from time to time (collectively the **"Rebate Forms"**). The Purchaser covenants and agrees to indemnify and save the Vendor harmless from and against any losses, costs, damages and/or liabilities (including an amount equivalent to the Rebate and the Transitional Rebate, plus penalties and interest thereon) which the Vendor may suffer, incur or be charged with, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate or the Transitional Rebate to the Vendor (or the ineffectiveness of the documents purporting to assign the benefit of the Rebate or the Transitional Rebate to the Vendor). As security for the payment of such amount, the Purchaser does hereby charge and pledge his interest in the Real Property with the intention of creating a lien or charge against same. It is further understood and agreed by the parties hereto that:
 - i. if the Purchaser does not qualify for the Rebate, or fails to deliver to the Vendor or the Vendor's solicitors forthwith upon the Vendor's or the Vendor's solicitors request for same (and in any event on or before the Closing Date) the Rebate Forms duly executed by the Purchaser, together with all other requisite documents and assurances that the Vendor or the Vendor's solicitors may reasonably require from the Purchaser or the Purchaser's solicitor in order to confirm the Purchaser's eligibility for the Rebate and/or to ensure that the Vendor ultimately acquires (or is otherwise assigned) the benefit of the Rebate and the Transitional Rebate; or
 - ii. if the Vendor believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Closing Date;

then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), by certified cheque delivered on the Closing Date, an amount equivalent to the Rebate and/or the Transitional Rebate, in addition to the Purchase Price and in those circumstances where the Purchaser maintains that he is eligible for the Rebate despite the Vendor's belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to pursue the procurement of the Rebate directly from CRA. It is further understood and agreed that in the event that the Purchaser intends to rent out the Dwelling after the Closing Date, the Purchaser shall not be entitled to the Rebate, but may nevertheless be entitled to pursue, on his own after the Closing Date, the federal and provincial new rental housing rebates directly with CRA, pursuant to Section 256.2 of the *Excise Tax Act*, as may be amended, and other applicable legislation to be enacted relating to the provincial new rental housing rebate.

- (b) Notwithstanding any other provision herein contained in this Agreement, the Purchaser acknowledges and agrees that the Purchase Price does not include any HST exigible with respect to any of the adjustments payable by the Purchaser pursuant to this Agreement, or any extras, upgrades or changes purchased, ordered or chosen by the Purchaser from the Vendor which are not specifically set forth in this Agreement, and the Purchaser covenants and agrees to pay such HST to the Vendor in accordance with the *Excise Tax Act*. In addition, and without limiting the generality of the foregoing, in the event that the Purchase Price is increased by the addition of such extras, changes, upgrades or adjustments and as a result of such increase, the quantum of the Rebate that would otherwise be available is reduced or extinguished (the quantum of such reduction being hereinafter referred to as the **"Reduction"**), then the Purchaser shall pay to the Vendor on the Closing Date the amount of the Reduction as determined by the Vendor in its sole and absolute discretion.

- 11 The Purchaser acknowledges and agrees that the Purchaser's qualification for any of the aforementioned rebate programs is not a condition of the Agreement.

A **Second Tentative Closing Date** can subsequently be set by the Vendor by giving proper written notice at least 90 days before the First Tentative Closing Date. The Second Tentative Closing Date can be up to 120 days after the First Tentative Closing Date, and so could be as late as:

«SecondTentativeProjectedDate»

«FirmClosingProjectedDate»

If the Vendor cannot close by the Firm Closing Date, then the Purchaser is entitled to delayed closing compensation (see section 7 of the Addendum) and the Vendor must set a Delayed Closing Date.

Changing a Closing Date requires proper written notice. The Vendor, without the Purchaser's consent, may delay Closing twice by up to 120 days each time by setting a Second Tentative Closing Date and then a Firm Closing Date in accordance with section 1 of the Addendum but no later than the Outside Closing Date.

«FirstNoticePeriodDueDate»

Note: Any time a Critical Date is set or changed as permitted in the Addendum, other Critical Dates may change as well. At any given time the parties must refer to: the most recent revised Statement of Critical Dates; or agreement or written notice that sets a Critical Date, and calculate revised Critical Dates using the formulas contained in the Addendum. FREEHOLD TENTATIVE – October 7, 2020

SETTING AND CHANGING CRITICAL DATES**1. Setting Tentative Closing Dates and the Firm Closing Date**

- (a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the home on the Property and to Close without delay.
- (b) **First Tentative Closing Date:** The Vendor shall identify the First Tentative Closing Date in the Statement of Critical Dates attached to the Addendum at the time the Purchase Agreement is signed.
- (c) **Second Tentative Closing Date:** The Vendor may choose to set a Second Tentative Closing Date that is no later than 120 days after the First Tentative Closing Date. The Vendor shall give written notice of the Second Tentative Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (d) **Firm Closing Date:** The Vendor shall set a Firm Closing Date, which can be no later than 120 days after the Second Tentative Closing Date or, if a Second Tentative Closing Date is not set, no later than 120 days after the First Tentative Closing Date. If the Vendor elects not to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date. If the Vendor elects to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the Second Tentative Closing Date, or else the Second Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (e) **Notice:** Any notice given by the Vendor under paragraphs (c) and (d) above, must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Closing Date – Three Ways

- (a) The Firm Closing Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Closing Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Closing Date is set in accordance with section 4 or 5, then the new date is the “Firm Closing Date” for all purposes in this Addendum.

3. Changing the Firm Closing Date – By Setting a Delayed Closing Date

- (a) If the Vendor cannot Close on the Firm Closing Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 7.
- (b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date but not later than the Outside Closing Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event at least 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 7(c). If notice of a new Delayed Closing Date is not given by the Vendor before the Firm Closing Date, then the new Delayed Closing Date shall be deemed to be the date which is 90 days after the Firm Closing Date.
- (d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Closing Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
 - (iii) the Purchaser acknowledges that the amendment may affect delayed closing compensation payable; and
 - (iv) if the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:
 - i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 7;
 - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
 - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

(Tentative Closing Date)

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

Condition #1 (if applicable)

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Closing Date, and will be deemed to be 90 days before the First Tentative Closing Date if no date is specified or if the date specified is later than 90 days before the First Tentative Closing Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
- (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party:

- (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
- (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Closing Compensation

- (a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- (e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
 - (i) includes the Vendor's assessment of the delayed closing compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

- (i) the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred by the Outside Closing Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in Closing alone.

11. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser's monies is 2% less than the minimum rate at which the Bank of Canada makes short-term advances to members of Canada Payments Association, as of the date of termination of the Purchase Agreement.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

Warranty Information for New Freehold Homes

This information sheet provides a basic overview of the warranties and protections that come with your new home. This warranty is provided to you **by your builder** and backed by Tarion.

For more detailed information, visit [tarion.com](https://www.tarion.com) and log into our online learning hub at <https://www.tarion.com/homeowners/homeowner-resources-hub>

The Pre-Delivery Inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a pre-delivery inspection (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your home, such as the ventilation, plumbing, and heating systems. It is also important because it gives you an opportunity to note items in your home that are damaged, missing, incomplete, or not working properly before you take possession of your home. This record is also significant as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by the use of the home.

The PDI is only one piece of evidence relating to damaged or incomplete items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking possession if they were missed on your PDI. If the damaged items are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here: <https://www.tarion.com/homeowners/homeowner-resources-hub>

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your legal right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase

price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Closing Coverage

Your builder guarantees that your home will be ready for you to move in by a date specified in the Agreement of Purchase and Sale or a date that has been properly extended (if for certain reasons the original closing date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your occupancy date and provides up to a maximum of \$400,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario's Building Code
- Protects against unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work and materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work and materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against violations of Ontario's Building Code that affect health and safety

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty – not all deficiencies are covered. And the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via <https://tarion.com/builders/construction-performance-guidelines>
