Colours depicted above are for reference only and may vary depending on the viewing medium (i.e. electronic devices or printed materials) and, in the case of printed materials, the materials used (i.e. printer). Colour variations may occur and trim features may vary or be absent depending on the elevation chosen. Stone and brick mortar joints are to be indented. Natural coloured gray mortar (non-tinted) will be used with all exterior masonry (brick and stone) work. While best efforts will be made by the Vendor to honour the Purchasers' colour package selected regarding the two brick suppliers shown, the final decision will rest with the Vendor who will select the brick from the municipality approved exterior packages, based on architectural control principles, availability of bricks and stone and the aesthetic integrity of the overall community streetscape. Specifications may be subject to change without prior notice E. & O. E. 5/24
